

The screenshot shows a software interface for lesson planning. At the top, there is a blue header with the text "1a". Below this is a table with several columns. The columns are labeled: "Lp", "Data", "Temat", "Wzrost", "Waga", "Ciężar", and "Miejsce". The table contains multiple rows of data, likely representing individual lessons or activities. The interface also includes a sidebar on the left with various icons and a taskbar at the bottom.
